Requests for co operation on disaster support

Support for the wild fire in south east Ofunato city Iwate Prefecture

Thank you for the continual support for disaster support.

The wild fire that began on the 26th of February, burned many villages and houses that approximately 4000 people are evacuating.

【ARROWS the flying medical searching team】 that AMI JAPAN is supporting Has gone into Ofunato city on the 28th of February and started to take action Ofunato is the area that was hit by the Tsunami from the East Japan Great Earthquake on the March 11th 2011

14 years since the great earthquake of east Japan.

That day

Was not able to say good-bye

Was not able to say Thank you

Was not able to see your face

At home At school At work At the region

Sudden farewell came...

The disaster that happens all over Japan and all over the world, easily destroys the normal everyday life and it takes a lot of time and effort to reconstruct from the disaster.

Even now firefighting is being done in Ofunato city, but are going through difficulties.

The people evacuating are worried about their houses and the area and hoping that the fire will be put out as quick as possible.

The supplies of the evacuation center is getting low they are especially in need of under garments, sanitary products, diapers, and formula.

We ask for your continual support for the wild fire of the South east area of Ofunato city!

**I have shown you in everyway, by laboring like this,
that you must support the weak.
And remember the words of the Lord Jesus, that He said,
'It is more blessed to give than to receive.'
Act 20:35**

How much do you think you are loved by God?

There are many gods in Japan.
But do you feel loved by those gods?

We thank you from our hearts for your great love support always.
Pastor RIE wants as many Japanese as possible to come to know God,
and how much God loves you, and how much God is waiting
for you to return to Him as His child!! She has this strong feeling.
to tell everyone the Love of God. So is going all over Japan without any cost.
