July report 2

For where your treasure is,
there your heart will be also.

Matthew 6:21(NKJV)

July 26th Osaka Worship Service

Praising God from the heart !

Worship filled with the presence of the Holy Spirit

Testimony of God's miracle

After the worship service on July 26th, there was a photo left in Pastor RIE's smart phone, with the fire of the Holy Spirit that we don't know who took. Hallelujah!

The photo shared by Pastor RIE.

The word JESUS printed on Pastor RIE's T shirt burning

On the 15th and 16th of July Bishop MANABU and I went to Wakayama prefecture.

A luxury hotel where every room is a suite—one that normally costs hundreds of thousands of yen--

We were able to book for 50.000 yen for two people.

I made a reservation because I wanted to give a gift to Bishop Manabu, who always works so hard.

The food, the hot springs, and the location were all wonderful.

Since it gets crowded at checkout time, we decided to have breakfast and pay our bill in advance.

And surprisingly ! The hotel bill had already been paid.

We were surprised that God had paid it!

It had a "Receipt Processed" stamp on it.

Even though it was supposed to be a trip to invite Bishop MANABU, God invited even me.

***Thank you Jesus!
Hallelujah! Thank you Lord!***

Let us unite in prayer, that God's will may be done.
