

Shalom

January, 2025

"The LORD our God spoke to us in Horeb, saying:
'You have dwelt long enough at this mountain.
Turn and take your journey, and go to the mountains of
the Amorites, to all the neighboring places in the plain,
in the mountains and in the lowland, in the South and
on the seacoast, to the land of the Canaanites and to Lebanon,
as far as the great river, the River Euphrates.
See, I have set the land before you; go in and possess the land
which the LORD swore to your fathers - to Abraham, Isaac,
and Jacob — to give to them and their descendants after them.'

Deuteronomy 1:6~8

12 Things You Need To Do In 2025:

1. Make God your priority, source and co-worker

No matter what you do, everything you do must be God first

2. Be spiritual

Everyone has a back up. When you fight, don't fight in the flesh but in the spiritual.

**For this reason I, Paul, the prisoner of Christ Jesus for you Gentiles —
Ephesians 3:1**

**For the weapons of our warfare are not carnal but
mighty in God for pulling down strongholds,
II Corinthians 10:4**

3. Fulfill your vow to God

This year, be meticulous on the matters of the sacred.

Fulfill the vow you've made to your Father

**When you make vow to God, do not delay to pay it;
For He has no pleasure in fools. Pay what you have vowed —
Better not to vow than to vow and not pay.
Ecclesiastes 5:4~5**

4. Invest in your SDP - (Self Development Plan)

This is a year where you have to pay attention to you. You have become better.

**A disciple is not above his teacher,
but everyone who is perfectly trained will be like his teacher.
Luke 6:40**

5. Work

A man's honour is in his work.

Arise to work and may the work of your hands be blessed

**I must work the works of Him who sent Me while it is day
the night is coming when no one can work.
Jhon 9:4**

**The Lazy man will not plow because of winter;
He will beg during harvest and have nothing.
Proverbs 20:4**

6. Try to finish up unfinished projects

For this season, look back on what you already started that was not yet concluded.
Is there anything you can do to conclude it?

**Passing along the street near her corner;
And he took the path to her house
Proverbs 7:8**

7. Trust God

Trust God for what He has bestowed in us, for the vision.

**Some trust in chariots, and some in horses;
But we will remember the name of the LORD our God.
Psalms 20:7**

8. Be bold to do big things

It will take you confidence and guts to be bold. You need to have greatness
inside of you for you to take a step towards it.

**Those who do wickedly against the covenant he shall corrupt with
flattery; but the people who know their God shall be strong,
and carry out great exploits.
Daniel 11:32**

9. Be courageous

You will not take over if you are not brave or courageous.

10. Compete with no one but your last success

Instead of being aware of your environment, be aware of God,
His vision and your objective.

11. Honor God for/with all your achievements

It must be part of your system to honor God.
It speaks of God being the center of it all.

**Honor the LORD with your possessions,
And with the firstfruits of all your increase;
Proverbs 3:9**

12. Be involved in the work of God -

serve the Lord with your time and resources

For too long you have been a church goer, I want to encourage you to get involved.

Co operation request for disaster support

We thank you from our hearts for the continual love support last year.

【Cyclone disaster support in Mozambique】

On December 15th 2024, a strong Cyclone hit the north of Mozambique, south of Africa, (Tropical Cyclone Chido) It has been announced that there was great disaster from heavy rain and strong wind.

【ARROWS the flying medical searching team】 that is operated by Peace Winds Japan, that AMI JAPAN supports, have gone to the actual location, and are supporting earnestly.

Last year in December, through the group LINE of AMI JAPAN we have requested for support, We have received requests for continual support from the disaster areas, in order to provide life necessities and for the maintenance of utilities.

【Support for Noto peninsula earthquake】

*A year past since the Noto Peninsula earthquake
on the first of January 2024*

We believe that the people that are living in the disaster area crossed over to this new year with many different feelings in their hearts. In September last year, the area was hit by heavy rain and flood, there is still so much support needed. We would like to keep supporting the people's life in the disaster area, with the feeling wanting to continue to live in the town.

【Support for fire disaster in California】

It has not been taken up in the Japanese news so much, but even now there is great fire in California, many houses and woods are disappearing in a wide range. It is a dangerous condition. The organization Peace Winds America is supporting this disaster, Peace Winds Japan that we AMI JAPAN is supporting, is co operating with Peace Winds America. It has been decided that 【ARROWS the flying medical searching team】 will be supporting.

Disaster can happen not only in Japan but in any place in this world at anytime. Just as God says in the scripture to love one another, we as children of God, to support the victims from disaster, ask for your continual support in 2025 also.

**Beloved, let us love one another, for love is of God;
and everyone who loves is born of God and knows God.
I John 4:7**
