AMI JAPAN God's brave men
AMI JAPAN stands strong and courageous without fear
The flaming arrows of the enemy will not reach us
God's child that the enemy also fears AMI JAPAN

Will mount up everywhere with wings like eagles
The enemy's flaming arrows will not reach us
God's child the enemy runs away from

AMI JAPAN God's brave men
AMI JAPAN stands strong and courageous without fear

When God is for us who can go against us?

We win They Lose

Won victory over the enemy
because of the blood and testimony of the Lamb
Do not be afraid be courageous God says
A thousand may fall at our side, ten thousand at our right
the enemy can not get near
We will see the evil get what they deserve

AMI JAPAN God's brave one
AMI JAPAN stands strong and courageous without fear

Request for co operation on disaster support

Thank you for always supporting AMI JAPAN's disaster support.
2025 is almost half way through, but in the areas that were hit by earthquake and natural disasters, still need support to reconstruction.

For example, Japan is about to go into the rainy season,
but the area that were damaged by earthquake or wild fire,
are in danger of having great land slide.

In 2024 in Noto peninsula that was hit by a great earthquake, faced great damage in September the same year due to heavy rain, as you all remember.

This is what Jesus says to us through the scripture of the Bible.

But whoever has this world's goods, and sees his brother
in need, and shuts up his heart from him,
how does the love of God abide in him?

My little children, let us not love in word or in tongue,
but in deed and in truth.

1John 3:17~18

When the merciful heart and support of each one of us gather,
it becomes a great power. We continue to ask for your love support.

Why were you born in Japan ?

God has a plan for each one of us
It is not coincidence that you were born Japanese.

God who created this whole world, created Japan and Japanese out of love
Through that love He gave us Jesus our savior.
Pastor RIE offers her time finances and everything, for those that don't know Jesus yet, and the ones that are seeking Jesus. She is traveling all over Japan without charge. What makes her do it.

***Want to share the love of God towards Japanese,
Want to tell them about the salvation of Jesus !!
Don't want a single person to go to hell !!***

Want to tell them about the salvation of Jesus !!
You also can join the work of God with Pastor RIE, for the revival of Japan !!
Lend us your hand !!!

Waiting for your co operation on Pastor support offerings.
